

TRUSTED SOLUTIONS FOR CRITICAL INFRASTRUCTURE

Emco Waterworks and Sandale Utility Products deliver trusted solutions for water and utility infrastructure. With fast, local support and a strong network, we combine personalized service with the scale and reliability your projects demand. Putting customers first isn't just a slogan, it's how we're built. Our streamlined structure delivers quick, local support, while our national network helps reduce costs and simplify logistics. With Emco/Sandale, you get top-tier resources from a team that truly cares about your project.

[Built for Reliability, Delivered Without Delays.](#)

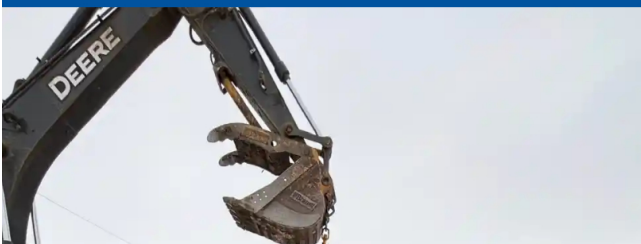

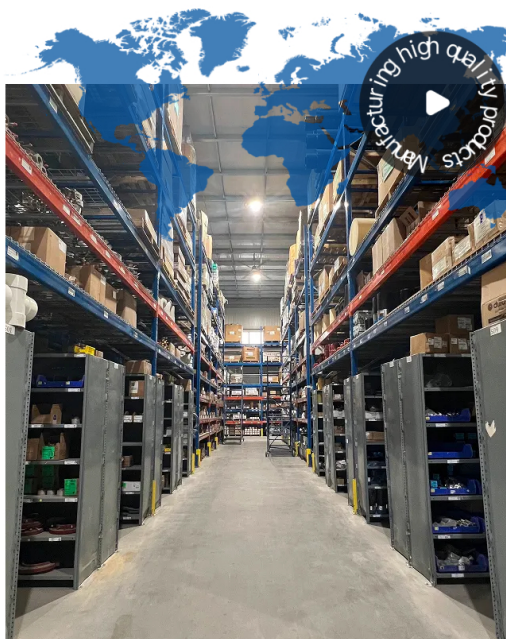

SUPPLYING MANITOBA'S INFRASTRUCTURE WITH READY TO SHIP PIPE AND FITTINGS

"We've worked hard to build the largest PVC and HDPE inventory in Manitoba because we know that in this industry, a day of downtime is a day too many. We're ready when you are."

We support municipalities, contractors, and infrastructure projects with dependable pipe and fitting solutions that are ready when you need them. From urgent replacements to large-scale developments, our team ensures consistent supply, expert handling, and products you can trust to perform in the field.
